

TC#1

Tapping Compound TC #1 (Tapping Compound)

Packaging Unit : Liquid 500g/Can, 10cans/Box

Features

- Low surface tension, capillary action, high penetrability and lubricativeness
- Preventing tool abrasion and burned-adhesion by heat
- Sprayed to right cutting area. Prevention of excessive use.
- Elimination of risk from operator during operation.
- Excellent cooling effects extending tool life
- Lubrication effects reducing friction
- Nonflammable and safe
- Cut powder removed easily

Uses

- Tapping
- Drilling
- Reaming
- Treading
- Turning
- Milling
- Broaching

Cautions

- Do not keep it in the place above 40°C.
- Provide ventilation to use it in the closed room.
- Do not keep it in the closed place.
- Do not use it to human body.
